

Dear Parent or Guardian,

This month the students will participate in the parish food drive. They may bring the food to the baskets in the front hallway of the CCD building or add them to the parish donations in the back of church. This food drive benefits the St. Joseph the Worker Food Pantry. The food pantry provides food for an average of 35 families a week. Items that are always needed are pasta, canned vegetables and fruit as well as bar soap and toothbrushes.

Cold and Flu season

Please keep your child home if you believe they have the flu or they are sick. The class work can be made up. The cleaning staff cleans and sanitizes all the tables and desks every week.

The fall season is upon us, therefore winter is edging closer. Below is the procedure for inclement weather.

Inclement weather

If you believe the roads are unsafe please do not try to bring your children to CCD.

There will be seven ways to find out if classes are canceled.

1. An email and text blast will now be sent to anyone who has given the office this information.
2. Watch the closing list on KDKA TV (Channel 2)
3. Get on the web for KDKA
4. Watch WPXI (Channel 11)
5. Get on the web for WPXI (Channel 11)
6. Call the CCD office and listen to the message on the machine.
7. Listen to KDKA radio 1020AM

Every effort will be made to make the NO CCD decision on Saturday evening.

Please remember that we have families from many parts of the county, Laurel, New Castle, New Wilmington, Neshannock, Shenango and Union. The road conditions may vary greatly due to location.

Have a great Thanksgiving
In Christ
Ms. Lauren DeFelice
